1981 DEDICATION

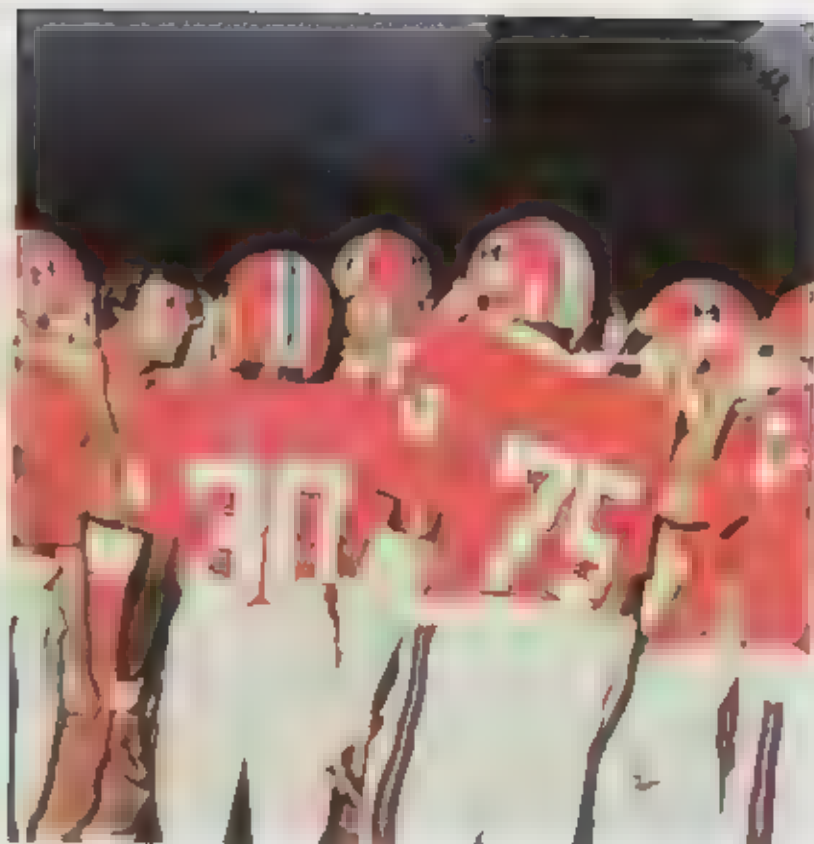

**MR. EARL
MAGRUDER**

Since 1977 Mr. Magruder has truly been a "man of all seasons." Not only has he been a friend to faculty and student alike, but also his personal talents have served the school in many unseen ways — activity operations, picture taking, etc. The best thing about Mr. Magruder is that he always goes out of his way to help out whenever asked, and he does so in his usual friendly way.

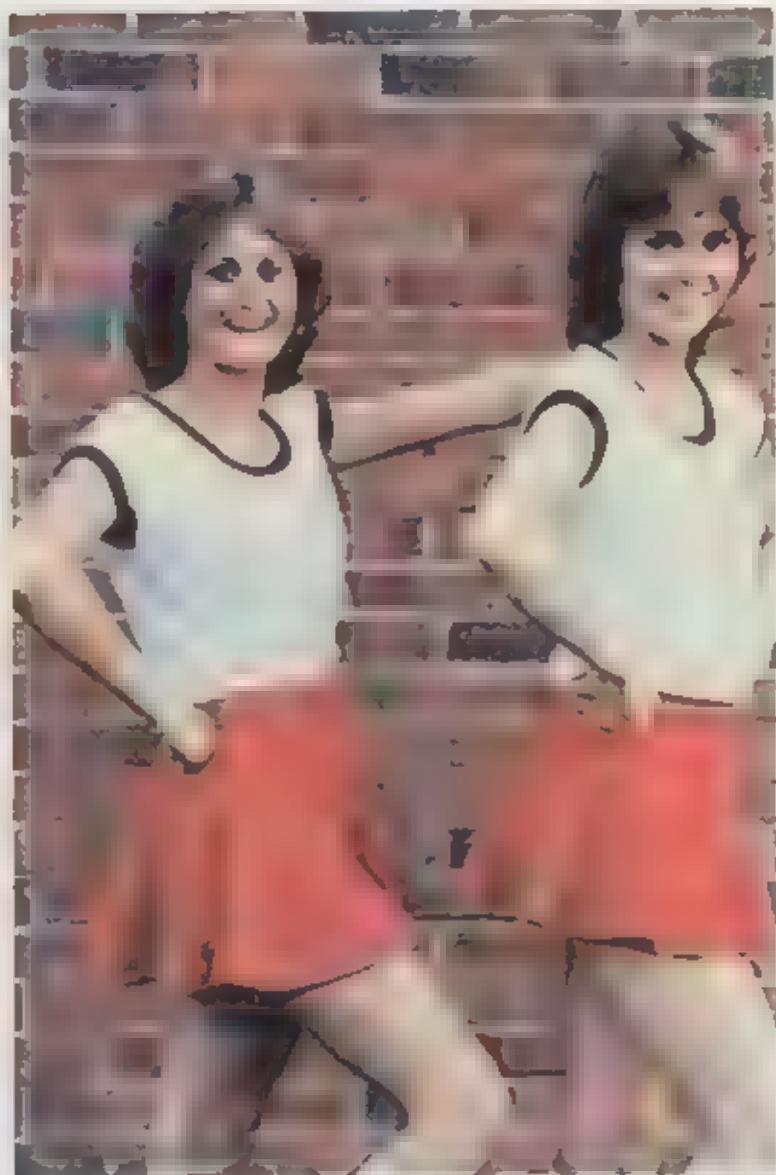

I've been lately thinking
about my life's time
All the things I've done
and how its been . . .

I can't help believing
in my own mind
I know I'm going to
hate
to see it end.

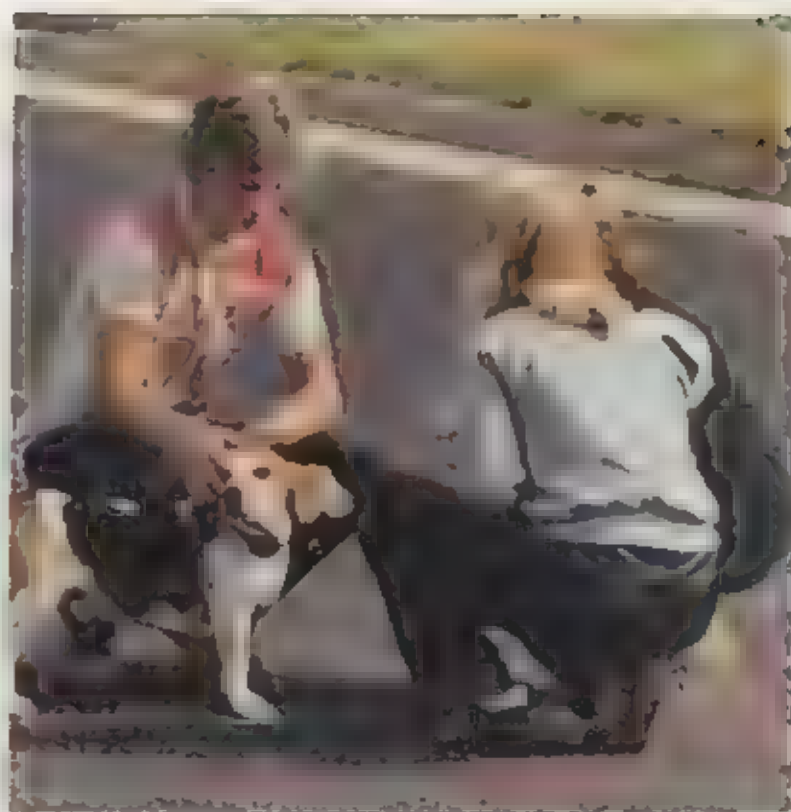

I have to say it now
it's been a good life all
in all
It's really fine to have the
chance
to hang around . . .

Talk of poems and
prayers and promises
And things that we
believe in
How sweet it is to love
someone
How right it is to care.

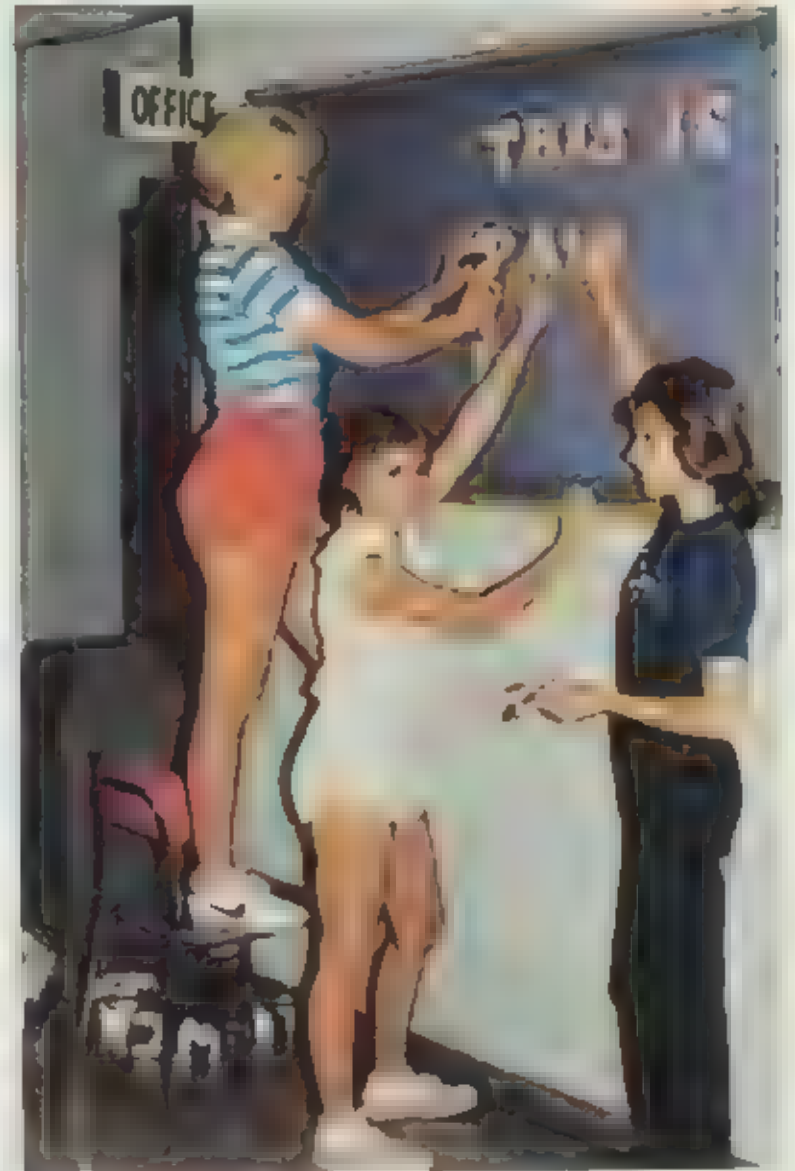

How long it's been since
yesterday
And what about
tomorrow?
What about our dreams
And all the memories
we've shared?

The days they pass so
quickly now
The nights are seldom
long
Time around me
whispers when it's cold.

The change is somehow
frightening
But still I have to smile
It turns me on to think
Of growing old,

But though my life's
been good to me
There's still so much to
do
So many things my
mind
Has never known.

I'd like to raise a family,
I'd like to sail away
And dance across the
mountains
On the moon,

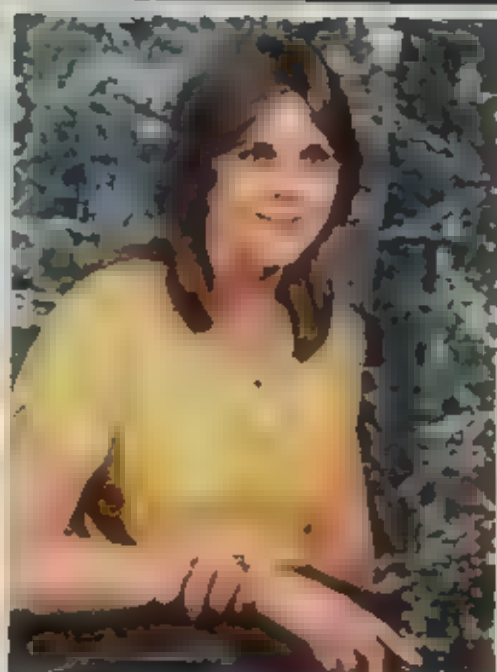

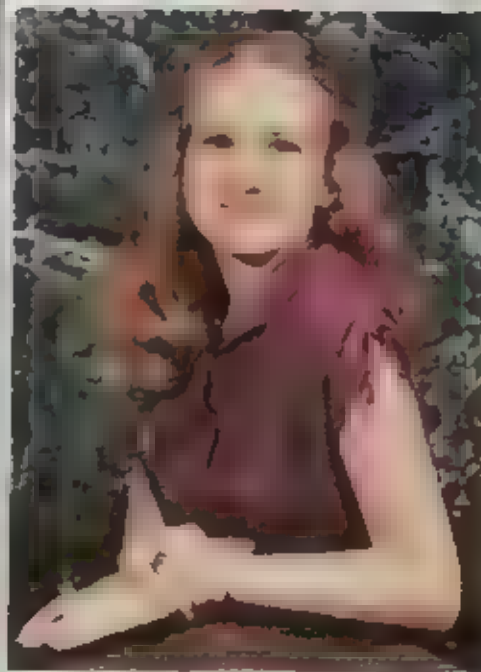

I have to say it now,
it's been a good life all
in all . . .

WHO'S WHO

CANDY JANES

Candy is a special kind of person. She is the student teachers look for and wish they had a whole room full of. She is a well-groomed, intelligent, hardworking young lady who is always ready to lend a hand for any cause. Her beaming smile, bubbly personality and even temper make her a joy to be around.

Not only is she conscientious academically but also is an active member and officer of several school organizations (Student Council, Beta Club, National Honor Society and Future Business Leaders of America).

In addition to her school work and club activities, Candy is employed by Dotbey & Company where I'm sure she is an asset to their company. Her future plans include college where she plans to major in business administration.

DAVID BUSCHMAN

A penchant for fooling teachers, an unusually wide grin, and a unique brand of humor outwardly personify David Buschman as a 1981 WHO'S WHO recipient. But don't be fooled by surface features, David is a serious and dedicated Patriot. His academic honors are marked by Beta Club and the Honors Program memberships.

Early in his high school days, he was cheered on as a track performer and a baseball player, but by the 11th and 12th grade, he flip-flopped and "led yells for the ladies" as a "powderpuff cheerleader." As an office aide, David has helped (and possibly entertained) clerks and secretaries with outstanding performances. In his more serious moments, however, he has ably served the Senior Steering Committee and has worked throughout the year as class Treasurer. Many hours of hard labor on the PATRIOT staff have rounded out David's last year at Thomas Jefferson. As one of his favorite authors, Geoffrey Chaucer might have paraphrased: "He was a model among T.J. students."

JOHN BOSTON

"And here's John with the news . . ." WTJH'S star reporter for two years, John Eric Boston, has greeted the TJ student body via the TV each morning with his dependable view of the day's news.

John has excelled as a scholar in TJ's honors' Program and earned membership in not only Beta Club but also the National Honor Society. Members of the Senior Class named John "most likely to succeed." May their recognition of his academic and leadership abilities and his potential for greatness be prophetic. TJ will long remember John Boston and his positive contributions.

PATTY GRONEFELD

"Most Likely to Succeed" certainly describes Patty Gronefeld. Throughout her high school years, Patty has been involved in many organizations and activities—Student Council and Future Business Leaders of America to only name a few.

She is an effective and successful leader. Her willingness to work for perfection is a quality that makes her special. The way Patty touches everyone's heart through her friendliness, support, dedication, personality, leadership, and determination will always be remembered. The time and energy she has contributed to make TJ a better school for her fellow classmates has created memories that will be cherished.

Our future will be enhanced by Patty Gronefeld, a person who will succeed!

OF THOMAS JEFFERSON

LEIGH ANN TURNER

Maintaining a high academic standing, being involved in more activities than one can name and keeping an even disposition and unfailing good humor are the remarkable accomplishments of this year's Student Council President, Leigh Ann Turner. All of her talents are magnified by her ability to relate to all levels of the Thomas Jefferson community - staff and students alike. Her loyalty and school spirit will long be remembered.

SAMUEL BLAND

Sam Bland excels in many areas here at Thomas Jefferson. He is a vital member of the football team, an active member of several school organizations and an excellent student.

Sam is a trustworthy and loyal PATRIOT in every sense of the word. His being elected as a WHO'S WHO representative is an honor he truly deserves.

He plans to go to college next year and I am sure he will attain the goals he has set for himself in the future that lies ahead of him.

MICHELE BERNARD

Like a magnet, you're drawn to her. The genuine smile, the warmth of her personality, the candor with which she speaks let you know you can trust her to be your very best friend.

Michele's enthusiasm in any undertaking has precipitated her excellence in educational, spiritual, and social activities too numerous to list.

In two short years, she has made her presence known at Thomas Jefferson. The selection of Michele to WHO'S WHO is the evidence of her accomplishments.

CREG BROWNE

Anytime the Senior Class and/or the Student Council of Thomas Jefferson High are hard at work, Creg Browne is at the center of activity. Creg has achieved as a scholar in TJ's Honors' Program, Beta Club and National Honor Society, as well as a leader in extra-curricular activities at TJ.

Dependable, knowledgeable, and capable best describe our Creg Browne. Creg is an asset to any program in which he is involved.

KATHY HENRY

Kathy Henry is a superior athlete and student who has earned the respect and friendships of many at Thomas Jefferson. Her athletic abilities are well known. As one of the top basketball players in the state, Kathy has brought success and recognition to our school. She has also participated in track, tennis, and cross country. As a student, Kathy is cooperative and dependable. She has devoted many hours to Thomas Jefferson as a member of the Band of Blue, F.B.L.A. and F.H.A. Kathy's talent and personality make her an unforgettable Patriot.

JEFF BISLICH

Gregarious, fun-loving, even a bit of a tease, Jeff is nevertheless a serious student, capable of intelligent thought - provoking search for knowledge. His involvement in many sports indicates his athletic ability and his ability to participate in team competition. As a freshman he was on the basketball and football teams; as a sophomore he played basketball, football, soccer, and ran track; as a junior and senior he has competed on the golf team. His interests are varied, however, as shown by his membership in the Beta Club, Co-ed "Y" Honors' Program and Junior Achievement. Jeff's ability to win friends and keep an active schedule while maintaining a scholastic curriculum forecasts a fine future for him.

SANDRA WASHINGTON

Sandra has exhibited a personality of kindness, warmth and respect both for her teachers and fellow classmates. She strives to do the best she can in every undertaking. As a student aide she showed potential leadership abilities, and as an athlete she showed her spirit of competition. She has followed through in everything she has attempted to do in curricular and extra-curricular activities. Sandra truly deserves to be honored with the WHO'S WHO award.

AMY BROWN

Amy is enthusiastic, energetic, and friendly. She is a multi-talented student who thrives on being active and involved. She has served on the Student Council and on her Class Steering Committee each year and has been class officer for three years. Amy has participated in the Drill Corps, the Pep Club, and Co-ed "Y". She is a member of the PATRIOT staff and is the Program Director for the WTJH morning news.

In her free time, Amy is actively involved in competitive championship skating on the national level. She participates in many church music programs and serves on the Jefferson County Youth Council. Amy Brown's commitment to participation and involvement with other people exemplifies true Patriot leadership.

BRIAN BENNETT

Brian exemplifies the spirit of T.J. He is soft-spoken, friendly, unpretentious, but dependable to the core. Like many another "transplanted" Patriot, Brian has found a home at T.J., and worked as actively to participate in the life of the school and support it as he did his "home school." The list of activities in which he has been involved help indicate his well-rounded character. He has been a member of the Spanish Club, the Beta Club, the Honors' Program and President of the National Honor Society. These show his enthusiasm for learning and his dedication to service. He participated in basketball in the freshman and sophomore years and tennis in the sophomore, junior, and senior years. These show his love of sports and his team spirit. Brian's high grade point standing indicates that he will be successful in his chosen career as well as a successful human being.

Back row - left to right Creg Browne Samuel Band David Buschman Brian Bennett John Boston, Jeff Bislich, and Chuck McNear Front row - Michele Bernard, Patty Gronefeld Leigh Ann Turner, Candy Jones Amy Brown Kathy Henry, Sandra Washington, and Amelia Graves

The WHO'S WHO of Thomas Jefferson are an active group of students devoted to their school. The extra long and hard hours spent in extracurricular activities complement their high scholastic achievements. These thirteen students should surely be proud of this honor given them by their faculty and staff.

STUDENT COUNCIL

Seated - Amy Graves, Sandra Washington, Leigh Ann Turner, Candy Janes, Patty Gronefeld, Michele Bernard, Sheryl Graves, Sam Bland. Standing - Chuck McNear, Kim Reed, Beverly Payne, Brenda Gravette, Tim Brown, Michele Ballard, Lori Benham, Connie Boswell, Glen Brussell, Lora Turner, Creg Browne, Robin Bradshaw, Jennifer Vize, Stacy Lamkin, Reginald Youngblood.

STUDENT COUNCIL SPONSOR

Mrs. Ann Durbin

PRESIDENT - Leigh Ann Turner
VICE-PRESIDENT - Candy Janes
SECRETARY - Patty Gronefeld
TREASURER - Michele Bernard

The STUDENT COUNCIL of Thomas Jefferson is a hard working organization that tries to promote the involvement of both students and teachers in the school's many activities.

During the summer, they went to Cave City to plan activities for the year and to learn better human relations. They began a first this year . . . a booth at the Kentucky State Fair. They exhibited the WTJH-TV studio and different organizations. They also talked to people promoting public schools.

Homecomings are a busy time for the STUDENT COUNCIL. TJSC prepares the activities and dress-up days for Spirit Week and finally, the activities for Homecoming Halftime!

In December of each year, the Council begins collecting money and canned goods (and this year toys) for its annual Christmas Basket Ceremony. This year they were able to feed over twenty-five families.

For the second year, the Council held Blood Drives. They were able to donate 101 pints of blood from the school.

The STUDENT COUNCIL is a dedicated group of students working for the good of the school and community. Their sponsors, Mrs. Ann Durbin and Mrs. Givens assist them in their plan-making and the Council appreciates their time and concern.

"THE FUNKY SONG"

Well, I was born on the side of a crooked ol' mountain, raised with a boy named Funky. He grabbed my dog and choked my chicken. Funky don't die no more, Funky don't die no more, no more. Funky don't die no more

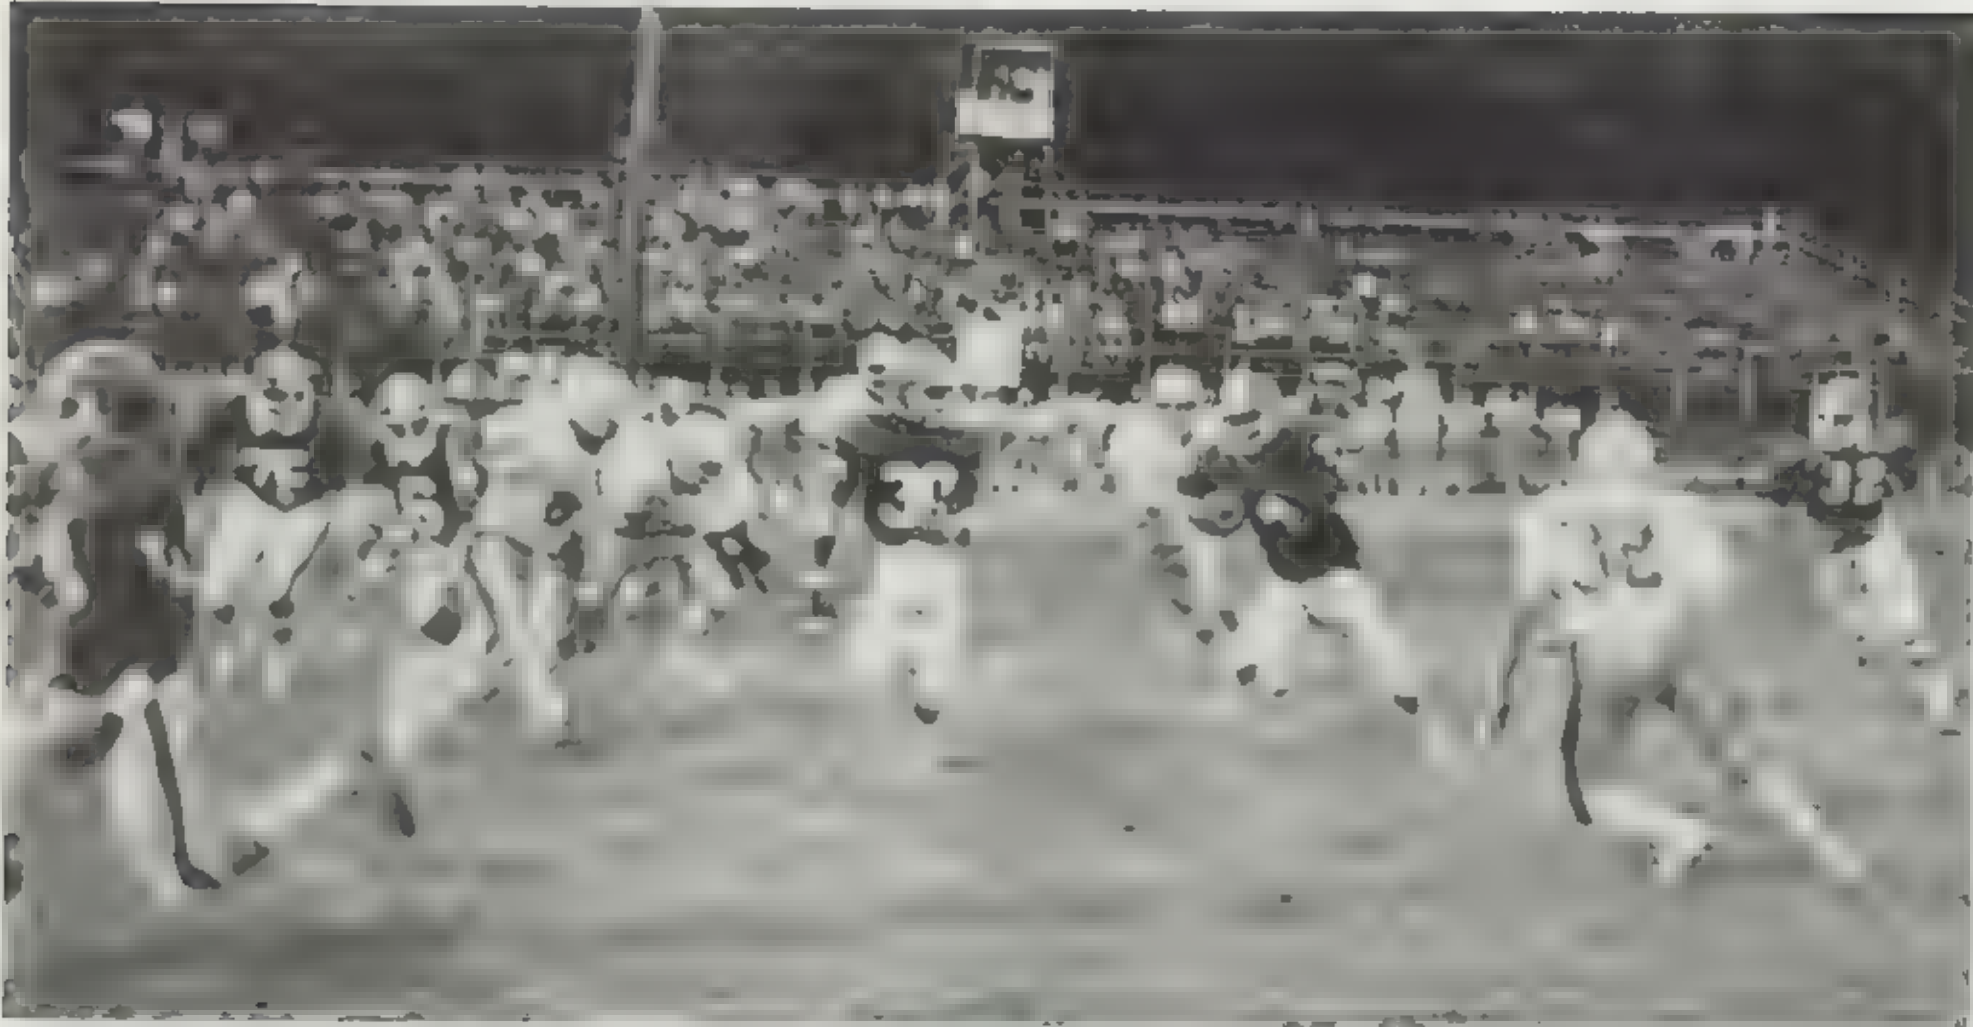

We go to practice, early in the morning, out on T.J.'s swampland. We run ten and four and we don't ask for more, Funky don't die no more. (Chorus)

Music and Lyrics by
Don Lord and George Prebee

Over the summer, Sophomore Don Lord and Junior George Prebee made up the "Funky Song". This was to be the song to sing to all of the teams that the PATRIOTS beat. The team isn't any better but the song is doing real good!

I may never pass this way but once, and if there is any goodness I can do, let me do it now, for I'll never know the joy, I'll never feel the pain, "I'll never pass this way again."

The experience that I have gained in the past eight years is invaluable professionally and socially I have learned as many of you, that a judgement should come from the heart and not from configurations artificially made by man.

In a world of winners and losers, when that great being welcomes home winners, I am sure that those who have left "TJ", will be gladly welcomed in.

To community leaders who have seemed ready to come to the assistance of an experienced human relator, I exhalt you To staff members who withstood numerous programs, innovative ideas and complete foolishness, I commend you. To students who have kept me aware, articulate, and young, I will always remember you.

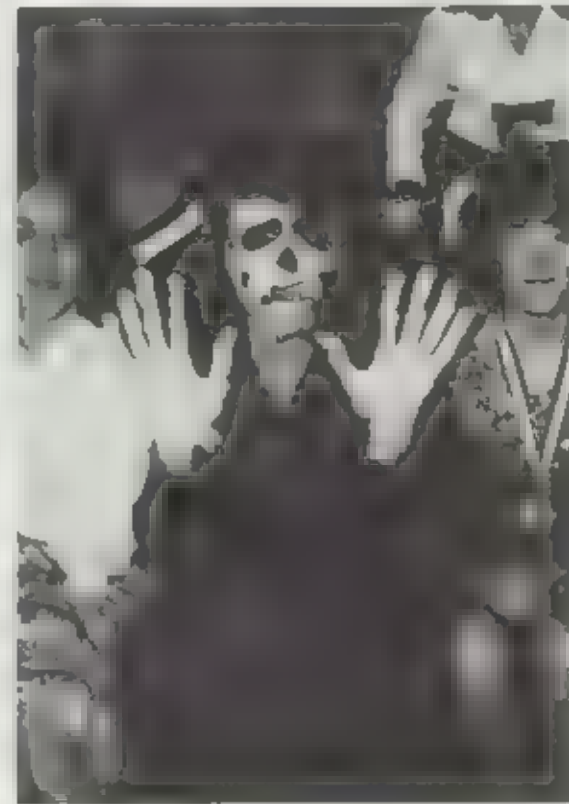

Here's to the winners - all of us can be.

Stanley K. Whitaker

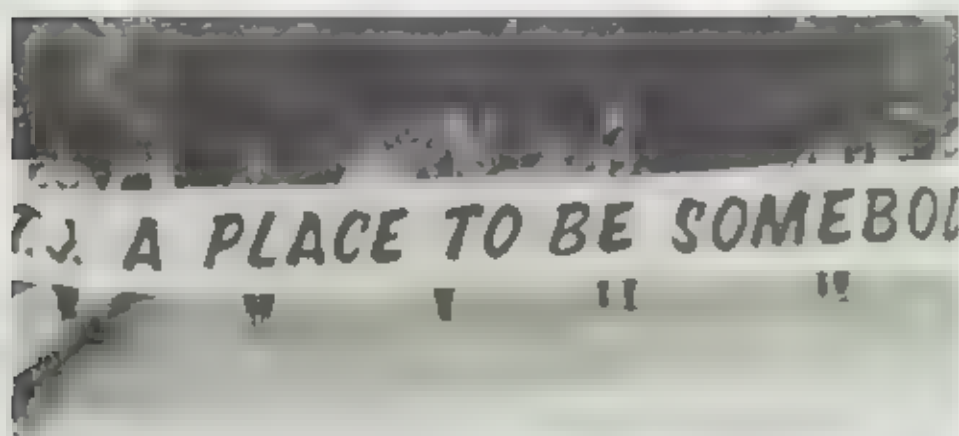

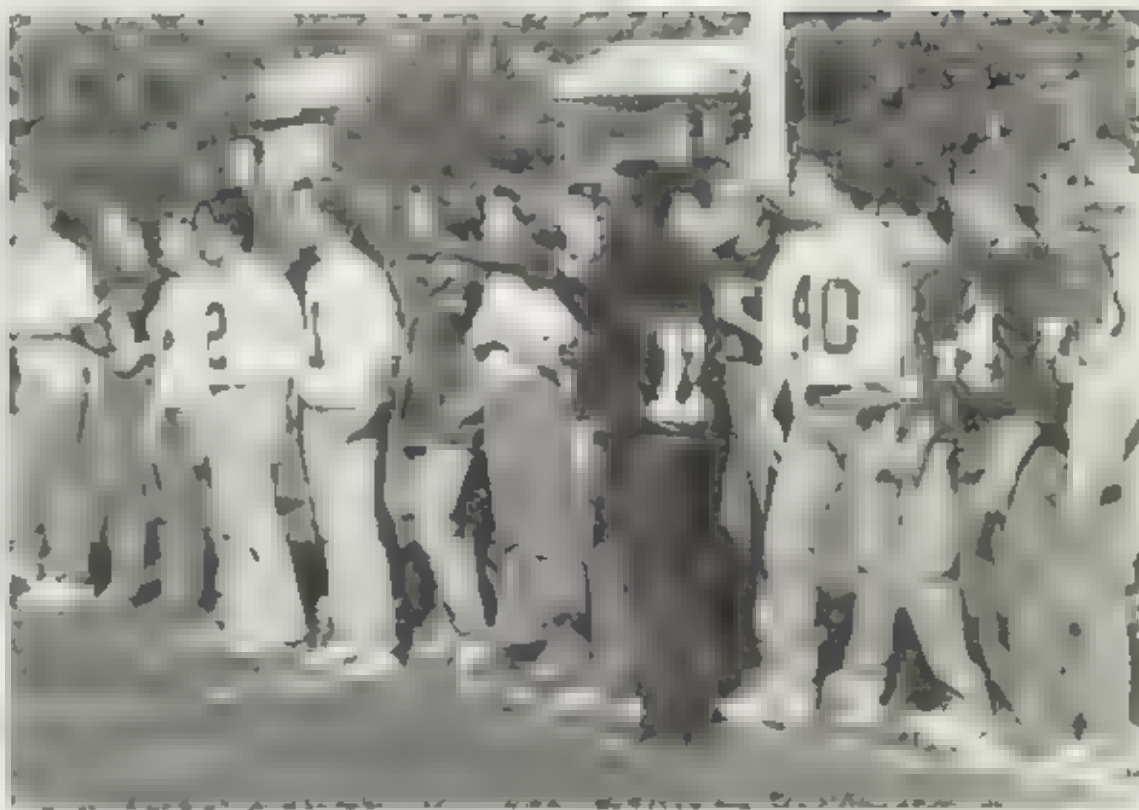

"WE SAY GOODBYE"

To Thomas
Jefferson We Do
Raise
Our Hearts And
Voices To Her
Praise
We Humbly
Dedicate To Thee

"TO T.J. HIGH!"

Our Knowledge,
Spirit, Loyalty.
And May Her
Colors Ever Stand,
To Guide The
Future Of Our
Land.

Oh, Alma Mater,
Tried And True
With Gratitude We
Sing To You.
For Lives Enriched,
For Minds Well
Trained

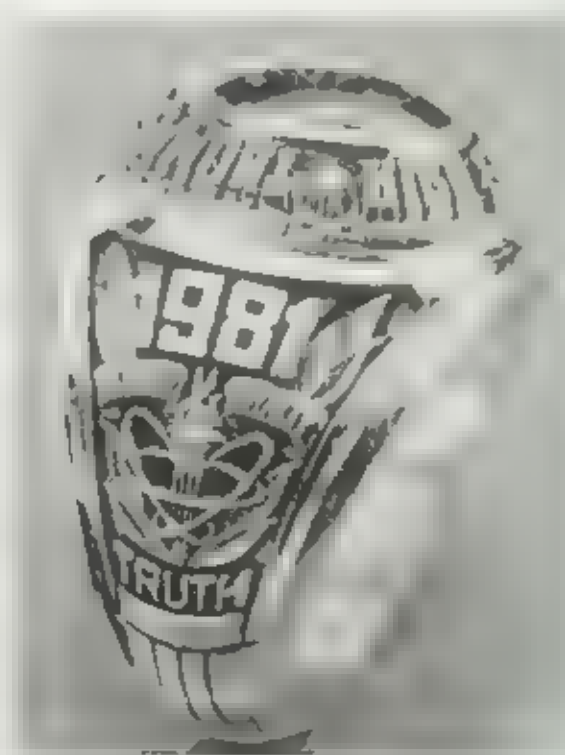

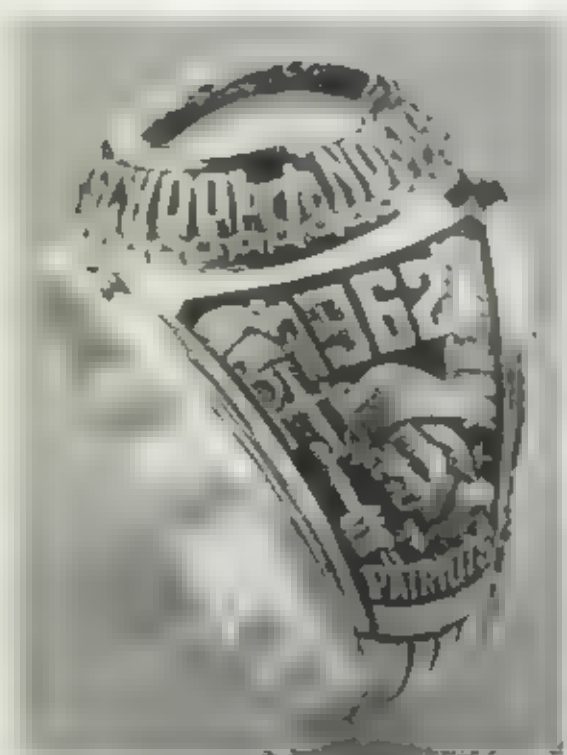

To Search For
Truths On High
Plains
To Thomas
Jefferson We Do
Raise
Our Hearts And
Voices To Her
Praise.

*We had the car washes,
the bake sales,
the good times...*

*but the night we put on
our class rings
for the first time—*

*that was my
proudest moment.*

Balfour.

From Balfour with pride.
